

Campus-Wide Co-Curriculum Certificate of Engagement

This is to certify that

Tianyu Zhou

has successfully completed the following domains in Brock University's Campus-Wide Co-Curriculum

The Campus-Wide Co-Curriculum is a university-wide co-curricular program that is designed to engage students outside the classroom through the completion of programs, events and experiences within ten different domains. Each domain requires the completion of a set of core experiences and a number of electives. By completing domains in the Campus-Wide Co-Curriculum this student has demonstrated a commitment to continuous learning and initiative to invest in holistic development and personal growth.
